Photograph Permission

The use of photographs is an important developmental tool which is widely used in play and educational settings for recording, sharing and displaying activities that your children have undertaken.

At Fusion Activity Clubs we take the issue of child protection very seriously and we would never knowingly publish an image of your child without your consent.

By signing our terms and conditions when you register your child on our club you are automatically giving permission for images of your child to be used.

Personal details or names of any child in a photograph will never be given in such a way that would allow them to be individually identified.

I understand that this image will NOT be used for anything which may be viewed as negative in tone or that may cause offence, embarrassment or distress for the child or their parent/carer.

I understand that there will be no payment for my child's participation.
